There's No Place Like Home!

Meet Denise...

Denise is a local Harford County resident with a survivor's story. She came to our showroom full of energy and spunk despite the hardships in her past. A survivor of domestic violence, Denise now lives in freedom, hopeful and excited about the fresh start she has been given to live a life full of peace and joy. She was provided all the items she needed to make her house a home which included a 6-seat dining table that she promised to fill with lots of love and good food for family and friends.
